No. they should be entirely contained to private (Church) property.

Will they be parking any vehicles on the street or taking up a portion of the public right of way?

Hello ladies,

I wanted to see if I can try and push this location through for a permit I'm working on for the television show, MARON.

They are looking to do some dialogue inside the Presbyterian Church at 115 N Avenue 53 TOMORROW from 7AM – Noon.

One of their locations fell through so they had to scramble and work something out with the Church.

All of their filming activity and parking will be on Church property.

Do you see any community issues with this? We won't be able to notify via paper, but I may be able to send out an e-mail notification later this morning.

Please let me know your thoughts.

Thanks much,
Sarah
